I don't think she got
the message...

Okay, back to my usual style now.

When
do you think
a lesbian loses
her virginity?

Well, when
she does it
with a guy,

or when
another
woman puts
her fingers
inside her.

See

It's that
simple?

What
does it
matter,
really?

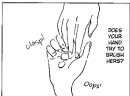

Hey, what about people
who don't want to do
that? Or people who still
experience pain after
their first time?
